Dear Sir,

In answer to your letter about bonds held by my son, the late Lorne Dinnes. He had one bond last May 1943, and he gave that to me, as a personal gift, and I cashed it in Nov. 1943 as I was in need of money. He mentioned about taking another one, but I don't know whether he did or not. He also mentioned that he had taken an examination for Leading Hand, and when he made his next trip to Halifax he would know whether he passed or not, would you be kind enough to let me know, as he had been a very good son to me, and I would like the satisfaction of knowing. Trusting this will be satisfactory to you I Remain

Sincerely
Mrs. Ada Dinnes
207 Ontario St W.

P. S. after May 1st 1944
My new address will be

For the purpose of record and in the event of there being any Service estate available for distribution (according to law) on account of the late

DINNER, Lorne, S.A.,

No. V.23394, R.C.N.V.R.

it is necessary that the requisite information regarding the deceased and his relatives should be furnished on the inside of this form in strict accordance with the printed instructions. The particulars required are to be carefully filled in and the Declaration on the back should then be signed in the presence of a Clergyman, Priest, Local Magistrate, Commissioner for Oaths or Notary Public, who should be asked to complete and sign the Certificate. This form should then be returned to the above address.

A deceased's Service estate, the administration of which is the responsibility of the Estates Branch, consists of any balance of pay and allowances at credit, cash on hand and the personal effects which are under the control of the Service authorities. To obtain such assets, it is not necessary for the person(s) legally entitled thereto to obtain through the Courts Probate of the Will, or if none, Letters of Administration of his estate.

In addition to the administration of those Service assets, the Administrator of Estates is authorized to withdraw into Government account any funds (within a defined amount) on deposit to the deceased's credit in Banks, Post Offices or other financial institutions in Canada and Overseas, without expense or trouble to the person(s) legally entitled to the estate, and to distribute such funds at the same time as any balance of pay is distributed. Also, War Savings Certificates and Victory Loan Bonds owned by the deceased may be redeemed and similarly distributed, or transmitted into the name(s) of the person(s) legally entitled. Such Certificates and Bonds should not be forwarded to the Administrator of Estates until they are requested.

If there are other assets which necessitate an application for Probate or Letters of Administration, the Administrator of Estates may transfer and hand over the Service assets to the executor or administrator appointed by the Court so that all the estate, Service and otherwise, may be dealt with as a whole.

The information given by you on Pages 2 and 3 of this form is therefore of importance in determining whether or not the deceased's assets are such that they may all be administered by the Administrator of Estates to the person(s) legally entitled, that is, without the need for Probate or Administration.

If there is insufficient space for complete particulars to be given opposite any question on Pages 2 and 3 of this form, the space under "additional remarks" on page 4 should be used.

DINNER, Lorne S.A. (Deceased)
No. V-23394 - R.C.N.V.R.

Dear Mr. Dinner:

In accordance with the provisions of the War Service Grants Act, the War Service Gratuity due to your brother is now available for distribution as part of his Service Estate. This amount has been computed as outlined in the enclosed award form.

Your brother died without having made a Will, therefore, this amount is distributable in accordance with the Intestacy laws of his Province of domicile, which provide that this amount be distributed in the proportions of one-half to his mother, nine-eightyths to each full blood brother and two-fortyths to his half-blood brother.

A cheque has been requisitioned from Treasury, payable to your order, for your nine-eightyths share as next-of-kin entitled and on receipt of same, will you kindly sign and return the enclosed form of acknowledgment.

27th September, 1943

Dear Mrs. Tanner:

I deeply regret that I must confirm the telegram of the 27th of September, 1943, from the Minister of National Defence for Naval Services informing you that your son, Lorne Dinner, Supply Assistant, Royal Canadian Naval Volunteer Reserve, Official Number V-23394, is missing on war service.

According to the report received, your son is listed as missing, due to enemy action, while serving on Convoy duty in the Atlantic. For reasons of security further details of this incident of war cannot be released at this time.

It is requested that you will regard as confidential anything beyond the fact of your son's loss on war service until such time as an official announcement is made, as this information might prove useful to the enemy.

While your son is listed as missing and virtually no hope can be held out for his having survived, Canadian Naval Authorities are unable to make an official presumption of death until a period of not less than three months has elapsed. If further information has not been received at that time, it is probable that official certification of death will then be made and you will be informed accordingly.

Please allow me to express sincere sympathy with you on behalf of the Minister of National Defence for Naval Services, the Chief of the Naval Staff, and the Officers and men of the Royal Canadian Navy, the high traditions of which your son has helped to maintain.

Yours sincerely,

NAVAL
