SERVICE REPRESENTATIVE

EXPLANATION OF ITEMS A, B & C

1. The War Service Grants Act, 1944 provides for the payment of the War Service Gratuity for every thirty days of service as follows:—

   (i) $7.50 in respect of service which is not classed as overseas service.

   (ii) $15.00 in respect of service classed as overseas service.

   By regulation, each person qualifying is entitled to a gratuity of $7.50 for each completed period of 30 days of service together with an additional sum of 25 cents for every day of overseas service **which falls within such periods.** No sum is payable for any day of service over and above the last completed 30 day period.

2. An "ineligible day" is any day of overseas service, rendered after completion of the last 30 day period, for which no additional sum of 25 cents per day is payable.

3. In addition, a supplement is payable for service classed as overseas service equivalent to seven days' pay and allowances, including dependents' allowance and subsistence or lodging and provision allowance at standard Canadian rates for each six months of overseas service and proportionately for a period of less than six months. By regulation, "six months" is considered to mean "183 days".

4. For the purpose of computing benefits under the Act, no period of absence without leave or leave of absence without pay, or time served while undergoing sentence of penal servitude, imprisonment or detention, or period of service in respect of which pay is forfeited is included in determining qualifying service.

Dear Sirs,

I am writing on behalf of Stephen Bruce Powell, a young man of this City who is anxious to join the Royal Canadian Navy.

The recommendations from his teachers and all others who have known him intimately are very fine and I desire to add my own recommendation that he be given every possible consideration as soon as his name is reached.

Circumstances prevent his being able to return to school this Fall and I am wondering if you can give me any encouragement as to his name being reached before he becomes seventeen in January.

RWG/PNS

Yours sincerely,

Ross W. Gray.

29th August, 1938.

Sir,-

I am directed to acknowledge your letter of 23rd August regarding the application of Mr. Stephen Bruce Powell of Sarnia, Ontario, candidate for entry in the Royal Canadian Navy as a Boy (Seaman Class).

As Mr. Powell does not reach the minimum age limit of 17 years required for entry until the 23rd January, 1939, consideration cannot be given to his application until after that date.

I assure you, however, that your recommendation of the above-mentioned candidate has been noted and same will be borne in mind when his name is reached and he is being considered for entry.

Yours truly,

(J. O'B. LeBlanc),
Assistant Naval Secretary.

Dear Sir:

It is with deep regret that I must confirm the telegram sent out by the Minister of National Defence, reporting that your son, Stephen Bruce Powell, Ordinary Seaman, O.N. 3333, R.C.N., was missing, believed killed.

Few details are available, but it is known that H.M.C.S. "MARGAREE" was sunk in collision in the North Atlantic whilst steaming without lights, on convoy duty, and in the submarine zone. 142 Officers and ratings are missing and must be presumed lost at sea.

I am requested to express to you the sincere sympathy of the Minister of National Defence for Naval Services and the Chief of the Naval Staff in your bereavement.

Any further information, which is received, will be at once communicated to you.

Yours very truly,

(J. O. Cossette),
Naval Secretary.

Dear Mr. Powell:

All documents in connection with your deceased son have now been received and it is desired to make legal distribution of an amount representing the balance of pay at his credit.

Your son died without having made a Will and the sum of $47.73 pay, comprising his service estate, is, therefore, in accordance with the law of his Province of domicile, distributable in equal shares among his parents, brothers and sister.

In accordance with the information supplied, there are three brothers and one sister entitled, all of whom are minors. CANADIAN NATIONAL TELEGRAPH COMPANY

(operating its own lines and those of the Great North Western Telegraph Company, the Grand Trunk Pacific Telegraph Company and Canadian Government Railways).

HEREINAFTER CALLED THE COMPANY.

ALL MESSAGES ARE SUBJECT TO THE FOLLOWING CONDITIONS, WHICH HAVE BEEN APPROVED BY THE BOARD OF RAILWAY COMMISSIONERS FOR CANADA, UNDER GENERAL ORDER 162, DATED MARCH 30TH, 1916, AND ORDER 49274 DATED 5TH DECEMBER, 1932, WHICH ORDERS WERE PUBLISHED IN THE CANADA GAZETTE ON DECEMBER 24TH AND DECEMBER 31ST, 1932, AND JANUARY 7TH, 1933.

It is agreed between the sender of the message on the face of this form and this Company that said Company shall not be liable for damages arising from failure to transmit or deliver, or for any error in the transmission or delivery of any unrepeated telegram, whether happening from negligence of its servants or otherwise, or for delays from interruptions in the working of its lines, for errors in cipher or obscure messages, or for errors from illegible writing, beyond the amount received for sending the same.

To guard against errors, the Company will repeat back any telegram for an extra payment of one-half the regular rate; and, in that case, the Company shall be liable for damages suffered by the sender to an extent not exceeding $200.00, due to the negligence of the Company in the transmission or delivery of the telegram.

Correctness in the transmission and delivery of messages can be insured by contract in writing stating agreed amount of risk, and payment of premium thereon at the following rates, in addition to the usual charge for repeated messages, viz.: one per cent for any distance not exceeding 1,000 miles, and two per cent for any greater distance.

This Company shall not be liable for the act or omission of any other Company, but will endeavour to forward the telegram by any other Telegraph Company necessary to reaching its destination, but only as the agent of the sender and without liability therefor. The Company shall not be responsible for messages until the same are presented and accepted at one of its transmitting offices; if a message is sent to such office by one of the Company's messengers, he acts for that purpose as the sender's agent; if by telephone, the person receiving the message acts therein as agent of the sender, being authorized to assent to these conditions for the sender. This Company shall not be liable in any case for damages, unless the same be claimed, in writing, within sixty days after receipt of the telegram for transmission.

No employee of the Company shall vary the foregoing.

CLASSES OF SERVICE

TELEGRAMS

A full-rate expedited service.

NIGHT MESSAGES

Accepted up to midnight at reduced rates, to be sent during the night and delivered on the morning of the next day after their date. At places where the Company's offices are not open on Sundays, delivery will be made on the morning of the next ensuing business day.

DAY LETTERS

A deferred day service at rates lower than the standard telegram rates as follows: One and one-half times the ten-word day message rate for the transmission of 50 words or less, and one-fifth of the initial rate for such 50 words for each additional 10 words or less. The minimum charge for transmission over the Company's lines of any Day Letter will be 45 cents.

Day Letters may be forwarded by the Company as a deferred service, and the transmission and delivery of such Day Letters are, in all respects, subordinate to the priority of transmission and delivery of full-rate messages.

Day Letters may be delivered by the Company by telephoning the same to the addressees, and such deliveries shall be a complete discharge of the obligation of the Company to deliver.

Day letters are received subject to the express understanding and agreement that the Company does not undertake that a Day Letter shall be delivered on the day of its date absolutely and at all events, but that the Company's obligation in this respect is subject to the condition that there shall remain sufficient time for the transmission and delivery of such Day Letter on the day of its date during regular office hours, subject to the priority of the transmission of full-rate messages under the conditions named above.

NIGHT LETTERS

Accepted up to midnight at reduced rates, to be sent during the night and delivered on the morning of the next day after their date. At places where the Company's offices are not open on Sundays, delivery will be made on the morning of the next ensuing business day. The rates for Night Letters are still lower than the standard Night Message rates, as follows: The standard day rate for 10 words for the transmission of 50 words or less and one-fifth of the initial rate for such 50 words for each additional 10 words or less. The minimum charge for transmission over the Company's lines of any Night Letter will be 30 cents.

Night Letters may, at the option of the Company, be mailed at destination to the addressees, and the Company shall be deemed to have discharged its obligation in such cases with respect to delivery by mailing such Night Letters at destination, postage prepaid.

Stereoscopic examination of the chest shows the heart, aorta, and both diaphragms to be normal in appearance. While slight thickening of the hilar areas is present, with a couple of small calcifications, (which findings eliminate the Department of National Defence "a" rating), there does not appear to be any parenchymal infiltration of present clinical significance.

For material still subject to legislative, contractual or institutional obligations, users warrant that they will respect those obligations and not use LAC collections in a manner that would infringe the rights of others. Liability that may arise in the use of a copy is assumed in full by the user. LAC accepts no responsibility for unauthorized use of collection material by users.

To ensure proper citation and to facilitate relocation of an item, the source of the material and its reference number should always accompany the copy.

Pour les documents faisant encore l'objet d'obligations législatives, contractuelles ou institutionnelles, les usagers s'engagent à respecter ces obligations et à ne pas utiliser les documents des collections de BAC de façon à nuire aux droits d'autrui. Ils doivent assumer entièrement toute responsabilité qui pourrait découler de l'utilisation d'une reproduction de document. BAC décline toute responsabilité quant à l'utilisation non autorisée de documents provenant de ses collections.

Afin de citer un document avec exactitude et d'en faciliter le repérage, sa source et son numéro de référence doivent toujours accompagner la reproduction.
