Dear Mrs. Zbarsky:

It is with deepest regret that I must confirm the telegram of the 17th of April, 1945, from the Minister of National Defence for Naval Services, informing you that your son, Ralph Zbarsky, Able Seaman, Official Number V-37720, Royal Canadian Naval Volunteer Reserve, has been killed in action.

For security reasons, the only information which may be released at this time is that your son's death was due to enemy action.

As you are aware, his body was recovered and, in accordance with your wishes, is being sent, at public expense, to Vancouver, B.C. You will be informed of the date and time of arrival by the Commanding Officer, H.M.C.S. "BURRARD", Vancouver, who will be pleased to assist you in making any necessary arrangements for the funeral. The Protestant Chaplain, Rev. J.L.L. Graham, Royal Canadian Navy, who has already contacted you, is also available should you require any further assistance.

It is requested that you will regard the name of the ship in which he was serving, together with the fact that she has been in contact with the enemy, as secret until an official announcement is made.

Please allow me to express sincere sympathy with you in your bereavement on behalf of the Minister of National Defence for Naval Services, the Chief of the Naval Staff, and the Officers and men of the Royal Canadian Navy, the high traditions of which your son has helped to maintain.

Yours sincerely

g secretary, waval board.

Mrs. Ethel Zbarsky, 6069 Cartier St., Vancouver, B.C. Rel

N.S. V-37720, PERS.(N)

7 May, 1945.

Dear Mrs. Zbarsky:

Further to my letter of the 19th of April, 1945, I am passing on the following particulars regarding the loss of H.M.C.S. "ESQUIMALT", the ship in which your son was serving. This information is now being released for publication.

H.M.C.S. "ESQUIMALT", a Royal Canadian Navy minesweeper, was torpedoed and sunk by an enemy submarine while on operational duty off the east coast of Canada. One Officer and fifteen ratings were killed at the time of the disaster, four Officers and twenty-four ratings are missing and now presumed dead, while two Officers and twenty-four ratings survived the sinking.

The following is an excerpt from the report of a Canadian Naval Press Relations Officer who was in contact with survivors of the ill-fated ship.

"Struck by a torpedo on the starboard side, H.M.C.S.
"ESQUIMALT" listed heavily, and sank stern first in a few
minutes. The ship's list had the seaboat under water and
flooded before it could be released from the davits, but
carley floats were freed quickly before the ship went down,
and those who escaped from the ship gathered on four of these
floats.

"It was from the four floats that a sister Bangor minesweeper, H.M.C.S. "SARNIA", picked up the survivors nearly six hours later. Many who had reached the floats safely had died of exposure on the floats, from the soaking in the cold sea water, and sixteen bodies were taken aboard the rescue craft.

""In spite of the rapidity with which the ship heeled over and slid under the surface there was no panic or confusion", a surviving Officer reported. Everyone he had seen had been calmly and quickly abandoning ship.

"Many men had died in the floats, and their bodies were brought aboard H.M.C.S. "SARNIA" with the survivors.

"Artificial respiration was given to some of the unconscious men for hours after they were picked up, but only two men were revived."

May I again express the sincere sympathy of the Department with you in your bereavement.

Yours sincerely,

A/A D.P.R/5.

Deputy SECRETARY, NAVAL BOARD.
