Dear Siro: Attention Was Gratuity Dept. I am in receipt of cheque for #42.445 for Was Service Gratuity, for which I thank you. I wish to point out that you have my husbands service listed as 756 days, and I am under the impression he served 792. He pined the navy July 13th, 1940 and was killed September 13th, 1942, which totale 792 day. Does a Sailor's Overseas Service count from the time he served on his ship, and while he is attached to that ship doing convoy duty, even if he had a months leave while the ship was in for repair. In getting a lump sum of money when discharged and then so much every month. Does this apply to the next of kin of a deceased member of the Service, or is the full amount paid at once. There has been a lot of discussion about Gratuity money, and I would

1. 2 213 Cedric Avenue Joronto 2 be very grateful if you would give me the above information Also please advise re the difference in the time of my husband's service. whose number was V.7512 A.B. Jack Wallace Piontek. Thanking you, Iam (mrs) Edith may Piontek

213 Cedric Avenue, Toronto 10, Ontario, June 25th, 1945.

Hon. Mr. Abbott, Minister of Naval Affairs, Ottawa, Ontario.

04.9772

Hon. Sir:

Would you kindly advise me why it is that wives of deceased Airmen and Soldiers' have their Dependant's Allowance (that is what the Government allows them and their husband's assigned pay) carried on for six months after their death when my cheque was cut and I was put on a pension from the very day my husband was reported killed.

My husband was a sailor on the H.M.C.S. Ottawa, which was torpedoed in the Atlantic on September 13th, 1942 and my pension started from that day, they didn't even carry my pay on until the end of the month. My husband's Regimental Number was V.7512, A.B. John Wallace Piontek.

Before my husband was killed I was receiving \$70.00, per month and now, as you know, my pension is \$60.00, per month.

My opinion is that all the services should be treated the same and that when a sailor gives his life for his country his wife should be treated the same as a Soldier or Airman's, and that I am entitled to the \$10.00 extra for the six months, making a total of \$60.00.

I am not trying to be mercenary for all the money in the world would not compensate for the life of any of our men, but I do think that the wives of deceased Sailors should receive the same consideration as the wives of the other two forces.

I would appreciate very much hearing from you in regard to this matter and thank you in advance.

Yours very truly,

(Mrs.) Edith May Piontek.

Madam:

I am directed to acknowledge receipt of your letter of 19th March, 1945, and to inform you that only Active Service time counts for the award of War Service Gratuity. Your late husband was attested in the R.C.N.V.R. on 13th July, 1940, but was not called on Active Service until 19th August, 1940.

You are further informed that sea service commences from the time a person is drafted to a sea going ship, and time spent on leave is considered as sea service providing he returns to said ship.

Payments of War Service Gratuity to discharged personnel are made in monthly instalments but payments to dependents are made in a lump sum.

It is believed that you are confusing the War Service Gratuity with the Rehabilitation Grant which is payable only to discharged personnel and not to next of kin.

The above is for your information and it is believed that this will dispose of any misunderstanding which has developed.

AIR MAIL

Dear Madam:

It is with deep regret that I must confirm the telegram of the 18th September from the Minister of National Defence for Naval Services informing you that your husband, Jack Wallace Piontek, Able Seaman, R. C.N.V.R., O.N.V.7512, is missing believed killed in action.

It is in the public interest that the name of his ship and the fact that she has been in action should not find its way to the enemy until such time as it is decided to publish the fact in a Naval Casualty List. It is therefore requested that this news, other than the fact that your husband is missing, may be treated as confidential.

Please allow me to express sincere sympathy with you in your bereavement on behalf of the Minister of National Defence for Naval Services, Chief of the Naval Staff, and the Officers and men of the Royal Canadian Navy, the high traditions of which your husband has helped to maintain.

Yours sincerely,

INSTRUCTIONS FOR ACCOUNTANT OFFICERS

When an Officer or Rating has two or more allotments in force they are not to be combined but treated as two or more allotments, and therefore Stop Notices should be dealt with accordingly.

A Stop Notice form should be filled out immediately an allotment has to be stopped, numbered consecutively and despatched at once to Headquarters.

A night-letter giving the Stop Notice number and other required particulars should be sent when it is impossible to forward this form in time to reach Headquarters by the 16th of the month.

This night-letter should be immediately confirmed by a Stop Notice form.

Canadían Allotments, if any, of R.N. ranks or ratings returning to R. N. should be stopped and debited prior to discharge.

Allotments continue to be paid by Headquarters until a Stop Notice is received. A Stop Notice should, therefore, be sent whenever an allotment has to be discontinued for reasons such as discharge, etc.
