H.M.C.S. "FORT RAMSAY", Gaspe, Quebec. 6th October, 1944.

Mrs. C. MacDonald, 1937 Murray Street, Niagara Falls, Ont.

Dear Mrs MacDonald;

On receipt of your letter of 3rd October, I asked the Chaplain attached to this Base to inspect the grave of your son, as I felt that you would be happier to receive a report from a clergyman.

I am sure it will comfort you to learn from Mr. Hutchinson's letter that the grave is well looked after.

The original decision to bury your son's body at Gaspe was taken because the laws of the Province of Quebec insist on certain preparations which it was not possible to make here at that time.

While I fully sympathize with your desire to have your son's body sent to Peterborough for re-interment, permission will have to be obtained from the civil authorities of the Province of Quebec for the exhumation of the remains. This can only be done, I believe, by means of a court order and, with the other necessary formalities, will take some time.

If, after reading Mr. Hutchinson's letter, you still feel that you would like your son's body sent to Peterborough, I shall be happy to forward a request to Naval Service Headquarters on your behalf to initiate the necessary action.

Please be assured that you have the deep sympathy of all members of the Naval Service in your loss and that I shall regard it as a privilege to do what I can to mitigate your bereavement.

Yours very truly,

G.C. Bernard, A/Commander, R.C.N.V.R., Naval Officer in Charge. LE/DW

N.S. N-21749 (Sec.N.B.)

February 21st, 1945.

Dear Madam :-

With reference to my letter of October 26th, 1944, it is advised that we have now obtained an Order of the Courts of the Province of Quebec for the exhumation of your son's body.

In addition all other arrangements have been completed for his exhumation and removal to Peterborough.

We have, however, received a communication from the Naval Officer-in-Charge at Gaspe, Quebec, pointing out that owing to weather conditions it is not practicable at the present time to carry out your wishes.

Providing you have no objection, we propose, therefore, to postpone the exhumation until the beginning of April 1945 at which time the snow should have cleared away, and the ground thawed out sufficiently.

Yours very truly,

Dear Sir,-

We are to-day in receipt of your communication of the 17th April, N.S. 9275-5. Vol.1 PERS(N). N.S. N-21749 DORMANT, stating that the "body of the late Thomas Allan MacDonald, Engine Room Artificer Fourth Class, Official No.21749, Royal Canadian Navy, has been transferred from the Protestant Cemetery, Gaspe, Que., to the Little Lake Cemetery, Peterborough, Ont., on the 12th of April, 1945. The Headstone was also transferred to the Peterborough Cemetery."

See. J. B. Refured again person D. h The permanent commemoration of this Rating by the erection of one of the Commission's "War-graves" headstones in the Protestant Cemetery, Gaspe, P.Q., was carried out in 1943, and this action has been so recorded in the permanent records of the Imperial War Graves Commission.

> The exhumation and reburial of remains, particularly after permanent commemoration has been carried out, comes as a great surprise to us and it would be appreciated if we could be informed by what authority and under whose direction the Commission's headstone was removed from its permanent foundation in the Protestant Cemetery at Gaspe. Will you please also say whether or not the Commission's stone has been re-erected in a similar permanent foundation in Little Lake Cemetery, Peterborough, and what the actual location of the grave is.

N.S. 9275-2 Vol.1 N.S. N-21749 (Sec.N.B.)

May 10th, 1945.

Dear Sir:

I am directed to acknowledge receipt of your letter dated April 18th, 1945, regarding the transfer of the body of the late Thomas Allan MacDonald, Engine Room Artificer 4th Class, Official Number 21749, from the Protestant Cemetery, Gaspe, P.Q., to the Little Lake Cemetery, Peterborough, Ontario.

In the sinking of H.M.C.S. "CHARLOTTETOWN" by enemy action the above-mentioned rating was mortally injured by explosions in the water and died onboard a rescue ship before reaching port. His body was put ashore at Gaspe, P.Q. and was in such a condition that it was considered imperative that burial be carried out without delay.

On the 21st October, 1944, Mrs. Coral MacDonald, mother of the deceased rating, made an earnest appeal to have the body removed to a cemetery at Peterborough, Ontario, and at the express direction of the Minister of National Defence for Naval Services the necessary steps were taken to have his remains removed and buried there. It is regretted that through an oversight prior advice of this transfer was not given you and that the Headstone was inadvertently removed from its permanent foundation in the Protestant Cemetery at Gaspe.

It is not known at the present time whether or not the Commission's stone has been re-crected in a similar permanent foundation in Little Lake Cemetery, Peterborough, or the actual location of the grave. However, this information is being sought and, when received, further advice will be communicated to you.

Yours truly,

re: Thomas Allan MacDonald, E.R.A. Deceased

In reply to your letter of the 14th inst., would say that the stone for the above sailor cannot be erected in an upright manner as the burial is in a family plot, and there is already a family memorial on the lot, and only one upright monument is allowed on each five grave lot.

We are setting the stone similar to the war grave headstones in our War Veterans' Plot.

The actual location of the grave is Grave 2, Lot 3, Range 16 South, Section "C".

Enclosed herein is our account for the work, sorry we did not get your letter answered last week.

Dear Sir,

I wish to express my thanks to you personally for your kindness and untiring efforts to bring to a final completion my one and only wish - "to have my son buried in Peterboro". I feel as though I have him at home and it is very comforting to know we can visit his grave at any time.

No doubt Stoker P/O Charles Thompson has given you his report on how perfectly every arrangement was carried out.

I would like you to thank the officers and men at "FORT RAMSAY" for their beautiful wreath and also for many other acts of kindness which they have previously done for me.

While I have lost my son Tom, I feel I am one mother in a thousand, and still have so much to be grateful and thankful for.

May God watch over your Naval Base at Gaspe and protect the boys in blue wherever they may be.

Sincerely,

(Mrs. Coral MacDonald).

Sir:

I beg to report that on arrival here of train No. 42, date, I was informed by Train Conductor Morrison that some of the passengers in coach 4383 were complaining about the conduct of several sailors travelling on the coach.

I walked through the coach, but at that time there was only one sailor there. He was sitting down, and everything appeared in order.

Later, Conductor Fuller, who was taking the train over at this point, asked me to accompany him into the coach, as a lady had made a complaint to him of the conduct of the sailors.

On entering the coach again, a number of passengers complained, but the sailors had left the coach. It seemed apparent from the complaints that the sailors were creating a disturbance. One lady complained of being addressed in vile language, while another said she had been struck by one of them.

We later found two sailors arguing on the platform at the rear of the coach, and Fuller spoke to them, and as they started to argue with him, he ordered them off the train. They seemed reluctant to obey, but I saw them off.

The sailors were: Fowler, D.A. No.27074, rating ERA4, Toronto Division R.C.N. and MacDonald, Thos. A. No. 21749, ERA Esquimalt, B.C. Division R.C.N., both en route to St. John, N.B.

MacDonald, judging from the complaints, seemed to be the main offender, He admitted swearing at the lady, but did not remember what he said. He also stated he did not remember striking anyone. Fowler stated there were four sailors travelling on the train. He also said MacDonald, himself and one of the others had been drinking on the train.

Owing to the necessity of having to remain with them after removing them from the train, I was unable to get the names of the complainants. However, Conductor Fuller has wired me the following names and addresses: Miss Beth Stafford, 745 Charlotte Sts., Fredericton, Mrs. Carrie Masters, 509 University Ave., Toronto, and Mrs. A. McKee, 292 Princess St., St. John, N.B.

#### Dear Madam:

myt.

It is with very deep regret that I must confirm that your son, Thomas Allan MacDonald, Engine Room Artificer 4th Class, R.C.N., O.N. 21749, died of injuries on the 13th September as a result of enemy action.

Your son suffered severe abdominal concussion when the ship in which he was serving was in action against the enemy. Immediately on arrival at the nearest port he was taken to hospital and everything possible was done in the way of medical care. He died, however, shortly afterwards.

It is deeply regretted that it was found impossible to comply with your request that the body of your son be sent to Peterborough, Ontario, for burial. Owing to the lack of embalming facilities at Gaspe, the local authorities advised that he be buried at Gaspe and the funeral, therefore, took place on 16th September. You will be informed of the location of the grave as soon as Config possible.

It is in the public interest that information of the incident of war which led to the death of your son should not find its way to the enemy until such time as it is decided to publish the fact in a Naval Casualty List. You are therefore earnestly requested to treat this information, other than the fact that your son has died, as confidential.

Please allow me to express sincere sympathy with you in your bereavement on behalf of the Minister of National Defence for Naval Services, the Chief of the Naval Staff, and the Officers and men of the Royal Canadian Navy, the high traditions of which your son has helped to maintain.

Yours sincerely,

Secretary, Naval Board.

#### Sir:

With reference to your letter of the 28th of September, 1942, the late Thomas Allan MacDonald, Engine Room Artificer 4th Class, Official Number 21749, Royal Canadian Navy, suffered injuries when the ship in which he was serving was in action against the enemy. On arrival at the nearest port he was taken to hospital and died on the 13th of September, 1942.

As the funeral for this rating took place at Gaspe, Que., it is suggested that you write to the Official issuing copies of Registration Certificates of Births, Marriages and Deaths, Ministry of Health, Parliament Building, Quebec, P.Q., for an official certificate of death.

Dear Mrs. MacDonald:

Mrs. German has read me your letter of 24th October and you are certainly being very brave over your very sad loss. Your son's grave overlooks the waters he so bravely defended and I have passed on your kind remarks to his associates who have and are looking after the grave. Please feel assured it will continue to have proper attention.

I cannot understand the Insurance Company's attitude as your son received his mortal injuries in Canadian waters within the area which is covered in the policy, and he died at Gaspé, P.Q. Hospital. If they will not accept this definite statement from me as Naval Officer in Charge, please ask them to write for any sort of legal statement that is necessary. You have been so brave over your gallant son's death that I would expect under the circumstances any Insurance Company would wish to cooperate and settle such a just and indisputable claim immediately. However, this is big business so please show them this letter or ask them to write to me if they cannot get the statement they require from Ottawa.

Yours very truly,

(Sgd.)

Commander D. K. MacTavish, Deputy Secretary of the Naval Board, Naval Headquarters, Ottawa, Ont.

Dear Sir:

Re: Our Policy 2325926 -Thomas Allan MacDonald Engineroom Artificer Official No. 21,749 Royal Canadian Navy

On December 11th we wrote to your department, enclosing a copy of a letter which we had received from Commander P. B. German, R.C.N, dated October 28, 1942. At the same time we put a couple of questions before your department. We do not seem to have as yet received a reply. While we can readily understand the pressure upon the headquarters of the various forces in the Canadian service, I am sure that you too will appreciate that insurance companies are under a certain amount of pressure by the beneficiaries under policies of deceased members of these forces.

Yours very truly,
