Dear Sir:-

Would be very ~~much~~ obliged if you would inform me of the possibilities of consideration of my application for entry in the R.C.A.F. as a Wireless Operator, in the forthcoming February recruiting list.

I was given to understand that my previous training in the Royal Canadian Navy for seven years would be in my favour but since I put in an application last summer I have heard nothing.

If the chances are not in my favour I will have to make other plans, but would prefer to join up, if at all possible.

So if you can spare the time I would appreciate a reply from you, as it was you by whom I was interviewed when I personally put in application.

Incidentally, my only reasons for leaving the Navy ~~is~~ that I disliked it greatly & felt relieved to get out.

Hoping to hear from you in the near future, I remain,

Sincerely,

Bethur W. Dunstons

Have had an application in to the R.C.A.F. for several months to join the w/t branch.

Having had six years previous experience in w/t in the Royal Canadian Navy was given to understand that my application would be given consideration for the first following draft.

However contrary to this two drafts have apparently been picked & one is coming at the end of January & still no word has been received.

Would be much obliged if I could be informed whether there is any use in awaiting a call as I've been disappointed twice. If the probabilities are faint I would appreciate this knowledge, as I would put the R.C.A.F. definitely out of my plans.

Will you kindly inform me as soon as convenient as to the possibilities of a call.

Sincerely.

Arthur W. Armstrong.

Dear Sir:-

The other day I read about you in connection with Canada's two new destroyers and I decided that probably you would be the man to see in regards to my position.

Ever since I was very small I have had a great longing to go to sea in the naval service, but so far I cannot see how to go about joining the navy. I understand, maybe I am wrong, that one would have to attend a naval school for a certain number of years, and this would be costly, and I could not afford to do this.

I am only seventeen years old, but I have completed three and one half years at high school. Could you give me any information as to how I should go about joining the navy, how long a naval training course would be, costs, etc, and what jobs I should start at, etc?

Hoping you can give me this information and thanking you for same, I remain,

Yours respectfully,

Arthur W. Armstrong.
