NOTES

1. **Destruction of Conduct Sheet.**—Attention is directed to Art. 603, cl. 3, K.R., which provides for the destruction, after the next assessment of character, of a Conduct Sheet shewing the record of offences in a previous ship. But the Conduct Sheet of a man joining a shore or harbour establishment may (and for Leading Seamen, Leading Signalmen, Able Seamen and Signalmen *must*) be kept in use and accompany him to his next sea-going ship.
2. **Date of Commencement of "very good" Conduct.**—When the date of commencement of "very good" conduct differs from that which would normally appear from the Service Certificate, the date is to be inserted in red.
3. **Class for Conduct.**—The date of proposed restoration may be any date not less than 3 months and not more than 6 calendar months from date of reduction. See Art. 567, K.R.
4. **Good Conduct Medal and Gratuity.**—Recommendations are to be made according to the instructions in Arts. 534, cl. 3, and 606, cl. 4, K.R. If the recommendation is intentionally withheld, a statement to that effect should be inserted. (See Art. 534, cl. 15.)
5. **Whether Recommended for Advancement.**—To be completed in respect of all Art. 413 ratings by inserting "Yes," "Not Yet" or "No" (but see notes (1), (2) and (3) below):
- (1) "Yes"—Recommended for advancement. To be followed by (N.Q.) if not fully qualified; this, if awarded in a sea-going ship, will count as a sea-going recommendation for men who require this qualification, although such men are not qualified for recommendation on Form S. 507.
  - (2) "Not Yet"—To be used for ratings not yet recommended for advancement owing to their inexperience. To be followed by (N.Q.) if not fully qualified.
  - (3) "No"—Not recommended, whether qualified or not.
- For Leading Seamen, Leading Signalmen, Able Seamen and Signalmen insert also "S.G.R." or "H.R." according as the ship is or is not a "sea-going" ship (Appendix XVII, Part 1, para. 10) in relation to the individual rating concerned.
6. **Whether Recommended for Confirmation.**—Notations, in red ink, are to be made across both the "Recommendation for Advancement" columns, after completion of a minimum period of three months' acting time, as to whether or not a rating is recommended for confirmation in the ordinary course. The abbreviations to be used are "R.C.O.C." or "N.R.C.O.C."
7. **Accelerated Advancement.**—Recommendations are not to be made in this column unless the rating was likely to have been recommended for accelerated advancement on the next return S. 507 had he remained in the ship. This column is intended merely to assist the Captain of the ship to which the rating is discharged in rendering S. 507 at the end of the half-year, by bringing to his notice ratings of more than ordinary merit, who should be specially considered when making the special recommendations on S. 507 for the accelerated advancement of a limited proportion of the ship's company. When recommending Leading Seamen, Leading Signalmen, Able Seamen and Signalmen add "S.G.R." or "H.R." as directed for previous column.
8. **Offences and Punishments.**—To be recorded on page 2.
9. **Training Service.**—This column is always to be completed for E.R.As, E.As, O.As, C.P.Os, P.Os and Leading Ratings of the Seamen, Signal W/T and Stoker branches, irrespective of whether or not the rating is a volunteer for the Training Service. If recommended, the word "Yes" should be inserted; if not recommended, the word "No".

# ENDORSEMENTS

from  
Chiefs of Staff of all three Services

"This is one way in which everyone can help the War Effort. No matter how small the contribution it all adds up to an immense sum and, may I remind you that in helping your country you are also helping yourselves, as you will receive your money back with interest in due course. It's going to be a long hard war, so let's all tighten our belts if necessary and do our damndest and so Stop Hitler."

PERCY W. NELLES,  
Chief of the Naval Staff

"I commend this form of saving to all ranks of the Canadian Military Forces. By supporting it you are doing both Canada and yourself a good turn."

T. L. ANDERSON,  
Major-General,  
Chief of General Staff.

"I heartily commend the purchase of these War Savings Pledges to the Officers, Warrant Officers, Non-Commissioned Officers, and Aircraftmen of the Royal Canadian Air Force."

I feel that in this vital period, when the very existence of the British Empire is being threatened, the members of the R.C.A.F. will be glad of this opportunity to assist in making Canada's War Effort as great as possible."

L. S. BREADNER,  
Air Commodore,  
Chief of the Air Staff.

## Information for Purchasers of Canada's War Savings Certificates

**Date of Issue.** War Savings Certificates will be dated the fifteenth of the month in which payment is completed. For example, whenever in any one month your Total Salary Deductions are sufficient to buy your War Savings Certificate, that Certificate will bear the date of the 15th of that month.

**Registration.** Each War Savings Certificate is registered at the Bank of Canada, Ottawa. Registration will be made in one name only. A War Savings Certificate is not transferable and cannot be redeemed other than by its registered owner. Provision has been made for redemption in case of the death of a holder.

Care should be taken to state clearly the name and address in which you desire Certificates registered. Spell out the first or Christian name in full, as well as the surname, and give proper prefix (Mr., Mrs., or Miss).

For example: Correct —BROWN, MR. KENNETH D.  
Incorrect—Ken. Brown.

A married woman must furnish her own Christian name (not that of her husband).

For example: Correct —WHITE, MRS. MARGARET F.  
Incorrect—Mrs. Henry G. White.

**Purchase Limits.** No person may hold War Savings Certificates in excess of a total maturity value of \$500 purchased in any one calendar year. That is to say, you may purchase \$500 worth this year, and up to a like amount in each succeeding year.

**Income Tax.** Due to the difficulties of calculation, the small amounts involved and the limit on individual holdings, holders will not be required to report the difference between the purchase price and the redemption value of War Savings Certificates, as income in making returns under the Income War Tax Act.

**Redemption.** War Savings Certificates cannot be called for redemption by the Government prior to their date of maturity. The holder, however, has the option six months after issue date of redeeming his certificates for cash, and after the first year will also be paid interest to the date of redemption in accordance with the table of redemption values shown on each certificate. The Minister of Finance reserves the right to require ninety days' notice in the case of redemption before maturity.

*To All Members of  
Canada's Armed Forces:*

**re: WAR SAVINGS CERTIFICATES**

*Many officers and enlisted men of the Navy, Army and Air Force, have asked that arrangements be made for regular deductions from regular Navy, Army and Air Force pay, to allow them, if they so desire, to invest some part of their pay in War Savings Certificates.*

*What War Savings Certificates are, and how they may be obtained, you will find explained in this folder.*

*Whether any deduction from your pay will be made, and how large it will be, will depend, of course, upon your own wishes.*

*If you are interested in our opinion of War Savings Certificates, we think that there is no better "buy" either for yourself or for Canada.*
