Instructions

1. This is **YOUR** Pay Book, Medical and Dental Record and Identity Book. You are personally responsible for its safe keeping. It is most important that it be in your immediate possession at all times and that it should not be allowed to fall into the hands of the enemy or unauthorized persons. If it is lost or stolen, you should report the fact at once to the Commanding Officer. A new book will be issued to you as soon as possible, **but no pay will be issued for the period prior to date on which the loss was reported until your pay balance has been determined.**
2. You will produce this book when requesting an advance on account, at general payment, on reporting to sick bay or dental clinic, and when instructed to do so by an authorized person.
3. You will give a receipt, in the form required by the Accountant Officer paying you, for all advances made to you. The Accountant Officer will sign the corresponding entry in this book on the page for Cash Payments. It is in your interest to ensure that this is done.
4. You will give a receipt for any New Type Naval Identity Card issued to you. See Page ~~26~~ **32** for other instructions regarding identity cards.
5. You will make no entries in this book, except to sign your name on the page opposite. It is a disciplinary offence for the holder to make any alterations or erasures in this book or to mutilate it in any way.
6. You will surrender this book when you are discharged from the Naval Service.
