Dear Sir:-

Further to the case of the above noted and our letter of November 20th, may we advise that our Montreal Representative reports having completed an interview with the father of the above noted.

Attached, herewith, please find Certified copy of the Birth Certificate from the registrar, which we trust will be of some assistance as apparently there has been quite a mix-up, as far as the father is concerned which is partially explained in a report received, reading in part as follows:-

"It appears that when he was about two (2) years of age, his parents placed him in the custody of an aunt by the name of Hennessy.

He remained with the "Hennessy" family, and although he retained the name of "Denneny", he was also known as "Hennessy".

He states these circumstances can be proven through the following persons:

His brother, Frank Denneny, 1234 Wolfe Street, Montreal (24), Quebec.

Act of BIRTH

OF

James Gordon DENNENY

His sister-in-law, Gloria Denny, 1633 Church Avenue, Cote St. Paul, Montreal (20), Quebec.

Joseph Butler, 2454 Coursol Street, Montreal (3), Quebec.

I might add that the father is a veteran of both World War I and World War II.

In World War I, he served under the number 1251684 in the 79th Battery, R.C.A., in Canada only.

In World War II, he served under the number D.6126 from September 19th, 1939 to January 22nd, 1943, in the 5th Field Battery, and in Canada only.

He states that his wife deserted him to live with another man in 1927, and that he has had no contact with her since that year.

He understand, however, that she is still living with another man, and he is most insistent that he should secure his portion of the War Service Gratuity, claiming that as he is the father of the child, he can see no reason why his wife's boy-friend should have the advantage of that portion of the Gratuity.

"Denny" seems a straight forward sort of chap."

The above represents about all I can report."

These Headquarters, therefore, trust that this information, and enclosure, will be of some assistance and if you have any further suggestions whereby we can co-operate further please advise.

Yours very truly,

Replying to yours of December 21st, 1945, please be advised that we have made search for a registration in the name of "Patrick L. Denny" as requested by you.

We have a registration in the name of one, Patrick Denny, born May 11th, 1910, who, when he registered in August 1940 lived at 731 St. Alphonse Street, Montreal, P.Q., and who has never reported a change of address since that time to this office. This man, however, gave his occupation in 1940 as a painter and we note that the man sought by you was at one time employed as a laboratory assistant with the British American Oil Company. I think it is very doubtful if the registrant referred to is the man for whom you are looking. Possibly Patrick L. Denny sought by you had left Canada or had died before the time of general registration in August 1940.

that was the dead

I have for acknowledgement yours of November 19th requesting information as to the whereabouts of the father of the above-named.

Your letter states that Mrs. Rebecca Denny has informed you that she has not seen her husband for many years. While we would be pleased to make a search of our records for a registration which would likely be that of the father of the deceased man we find it practically impossible to do so because you have not supplied us with his given name. As there is no indication of his age or of where he would likely have registered in 1940 it would be very difficult to locate the proper registration without the given name. If you can supply that name to us a further search will be conducted.

For the purpose of record and in the event of there being any Service estate
 available for distribution (according to law) on account of the late

DENNEY, James G., Tel.

No. V. 33275, R.C.N.V.R.

it is necessary that the requisite information regarding the deceased and his relatives
 should be furnished on the inside of this form in strict accordance with the printed
 instructions. The particulars required are to be carefully filled in and the Declaration
 on the back should then be signed in the presence of a Clergyman, Priest, Local
 Magistrate, Commissioner for Oaths or Notary Public, who should be asked to com-
 plete and sign the Certificate. This form should then be returned to the above address.

A deceased's Service estate, the administration of which is the responsibility of
 the Estates Branch, consists of any balance of pay and allowances at credit, cash on
 hand and the personal effects which are under the control of the Service authorities.
 To obtain such assets, it is not necessary for the person(s) legally entitled thereto
 to obtain through the Courts Probate of the Will, or if none, Letters of Administration
 of his estate.

In addition to the administration of those Service assets, the Administrator of
 Estates is authorized to withdraw into Government account any funds (within a
 defined amount) on deposit to the deceased's credit in Banks, Post Offices or other
 financial institutions in Canada and Overseas, without expense or trouble to the
 person(s) legally entitled to the estate, and to distribute such funds at the same time
 as any balance of pay is distributed. Also, War Savings Certificates and Victory
 Loan Bonds owned by the deceased may be redeemed and similarly distributed, or
 transmitted into the name(s) of the person(s) legally entitled. Such Certificates and
 Bonds should not be forwarded to the Administrator of Estates until they are requested.

If there are other assets which necessitate an application for Probate or Letters
 of Administration, the Administrator of Estates may transfer and hand over the
 Service assets to the executor or administrator appointed by the Court so that all
 the estate, Service and otherwise, may be dealt with as a whole.

The information given by you on Pages 2 and 3 of this form is therefore of import-
 ance in determining whether or not the deceased's assets are such that they may all
 be administered by the Administrator of Estates to the person(s) legally entitled,
 that is, without the need for Probate or Administration.

If there is insufficient space for complete particulars to be given opposite any
 question on Pages 2 and 3 of this form, the space under "additional remarks" on
 page 4 should be used.

27th September, 1943

Dear Mrs. Denny:

I deeply regret that I must confirm the telegram of the 27th of September, 1943, from the Minister of National Defence for Naval Services informing you that your son, James Gordon Denny, Telegraphist, Royal Canadian Naval Volunteer Reserve, Official Number V-33275, is missing on war service.

According to the report received, your son is listed as missing, due to enemy action, while serving on Convoy duty in the Atlantic. For reasons of security, further details of this incident of war cannot be released at this time.

It is requested that you will regard as confidential anything beyond the fact of your son's loss on war service until such time as an official announcement is made, as this information might prove useful to the enemy.

While your son is listed as missing and virtually no hope can be held out for his having survived, Canadian Naval Authorities are unable to make an official presumption of death until a period of not less than three months has elapsed. If further information has not been received at that time, it is probable that official certification of death will then be made and you will be informed accordingly.

Please allow me to express sincere sympathy with you on behalf of the Minister of National Defence for Naval Services, the Chief of the Naval Staff, and the Officers and men of the Royal Canadian Navy, the high traditions of which your son has helped to maintain.

Yours sincerely,

Mrs. Rebecca Denny,
3464 Cuvillier St.,
MONTREAL, Que.
