High average learning ability according to naval intelligence test. Record of service satisfactory. Highly thought of by superior officers for his industry and conscientiousness, etc.

This dischargee has already written the Canadian Vocational Training pre-matriculation examinations. He is very anxious to receive University training and the fact that he finished Grade XII, at the age of 16, speaks for his scholastic ability. If he studies Agriculture at the University of Alberta, he will probably specialize in Agricultural ^{research} work. His alternative choice to University Training is to learn the printing trade. NOTES

1. Destruction of Conduct Sheet.—Attention is directed to Art. 603, cl. 3, K.R., which provides for the destruction, after the next assessment of character, of a Conduct Sheet shewing the record of offences in a previous ship. But the Conduct Sheet of a man joining a shore or harbour establishment may (and for Leading Seamen, Leading Signalmen, Able Seamen and Signalmen must) be kept in use and accompany him to his next sea-going ship.
2. Date of Commencement of "very good" Conduct.—When the date of commencement of "very good" conduct differs from that which would normally appear from the Service Certificate, the date is to be inserted in red.
3. Class for Conduct.—The date of proposed restoration may be any date not less than 3 months and not more than 6 calendar months from date of reduction. See Art. 567, K.R.
4. Good Conduct Medal and Gratuity.—Recommendations are to be made according to the instructions in Arts. 534, cl. 3, and 606, cl. 4, K.R. If the recommendation is intentionally withheld, a statement to that effect should be inserted. (See Art. 534, cl. 15.)
5. Whether Recommended for Advancement.—To be completed in respect of all Art. 413 ratings by inserting "Yes," "Not Yet" or "No" (but see notes (1), (2) and (3) below:
 - (1) "Yes"—Recommended for advancement. To be followed by (N.Q.) if not fully qualified; this, if awarded in a sea-going ship, will count as a sea-going recommendation for men who require this qualification, although such men are not qualified for recommendation on Form S. 507.
 - (2) "Not Yet"—To be used for ratings not yet recommended for advancement owing to their inexperience. To be followed by (N.Q.) if not fully qualified.
 - (3) "No"—Not recommended, whether qualified or not.For Leading Seamen, Leading Signalmen, Able Seamen and Signalmen insert also "S.G.R." or "H.R." according as the ship is or is not a "sea-going" ship (Appendix XVII, Part 1, para. 10) in relation to the individual rating concerned.
6. Whether Recommended for Confirmation.—Notations, in red ink, are to be made across both the "Recommendation for Advancement" columns, after completion of a minimum period of three months' acting time, as to whether or not a rating is recommended for confirmation in the ordinary course. The abbreviations to be used are "R.C.O.C." or "N.R.C.O.C."
7. Accelerated Advancement.—Recommendations are not to be made in this column unless the rating was likely to have been recommended for accelerated advancement on the next return S. 507 had he remained in the ship. This column is intended merely to assist the Captain of the ship to which the rating is discharged in rendering S. 507 at the end of the half-year, by bringing to his notice ratings of more than ordinary merit, who should be specially considered when making the special recommendations on S. 507 for the accelerated advancement of a limited proportion of the ship's company. When recommending Leading Seamen, Leading Signalmen, Able Seamen and Signalmen add "S.G.R." or "H.R." as directed for previous column.
8. Offences and Punishments.—To be recorded on page 2.
9. Training Service.—This column is always to be completed for E.R.As, E.As, O.As, C.P.Os, P.Os and Leading Ratings of the Seamen, Signal W/T and Stoker branches, irrespective of whether or not the rating is a volunteer for the Training Service. If recommended, the word "Yes" should be inserted; if not recommended, the word "No".

When a patient is received into hospital the name of the hospital is to be entered in the column of "Ship's Name" and all the entries in reference to his disease, discharge, etc., are to be inserted in *red ink*. The same course is to be adopted in the case of *invalids or men taking passage* on board ship, should they be placed on the sick list. MEDICAL HISTORY SHEET.—Continued. Name.

[illegible]

NOTE.—The information in the first three columns and in that headed "How disposed of," is to be inserted on board every ship, etc., in which a man serves, whether he may have been on the sick list or not. When a patient is received into hospital the name of the hospital is to be entered in the column of "Ship's Name" and all the entries in reference to his disease, discharge, etc., are to be inserted in *red ink*. The same course is to be adopted in the case of *invalid passage* on board ship, should they be placed on the sick list. When a person is invalidated at a home hospital the word *invalided* is to be in large writing, to indicate that he is unfit for further service, and that the sheet is finally closed. When a man is sick on leave, the nature and period of the illness should be entered in this sheet, with a note to show that the man was on leave.

Submitted:

The above named ex-rating was discharged "Demobilized" 23rd November, 1945.

2. He has now received his Statement of War Service Gratuity. This statement gives him credit for 658 days at sea with sea service ending 21st June, 1945. His Original Service Certificate indicates that he was drafted to H.M.C.S. "STETTLE" 13th July, 1945 to 19th Sept. 1945. This period of sea service was apparently overlooked when War Service Gratuity was calculated.

3. It is requested that this claim for additional sea time be checked and amended statement forwarded to Cook.

Dear Sir:

On 15 July the NONSUCH Band will participate in the Edmonton Exhibition Parade. As this parade is witnessed by so many citizens of Edmonton and visitors to the City, it is hoped that 100% attendance of band members can be anticipated.

To achieve this, it is requested that Mr. John Crook, employed by your company, may be allowed time off in which to participate in the parade. Your kind cooperation will be very much appreciated.
